

include/temporal_waggfuncs.h

```
graph TD; A[include/temporal_waggfuncs.h] --> B[postgres.h]; A --> C[catalog/pg_type.h];
```

The diagram illustrates a header file dependency. A central box at the top, labeled 'include/temporal_waggfuncs.h', has two blue arrows pointing downwards to two separate boxes below it. The left box is labeled 'postgres.h' and the right box is labeled 'catalog/pg_type.h'. This indicates that the 'include/temporal_waggfuncs.h' file includes both 'postgres.h' and 'catalog/pg_type.h'.

postgres.h

catalog/pg_type.h
